THE LANCASTER WING ARMCHAIR

A good upright chair of small footprint, narrow proportions, scroll arm detail and kick-pleat skirt. It is suited for use at a desk or in a bedroom and is also a useful chair as an end chair to a dining table.
Named after Nancy Lancaster who first used the chair at a dining table.

The chair frame is constructed in solid hardwood (beech) and is traditionally upholstered with natural materials and filling and has a coil sprung seat.

Made in the UK in a fabric of your choice.

9m of main fabric required – 1.5m or contrast fabric.
